WARNING FOR EXHIBITORS

As with many trade shows, bogus and no-name companies have been contacting HPBExpo exhibitors, claiming to represent HPBExpo (and/or leaving out important information so that it's ambiguous whether they represent us), offering HPBExpo attendee lists or industry contact lists. They are likely combing through our online exhibitor list and doing their own research on how to contact you, as we do not list exhibitor phone or email addresses online in our exhibitor list.

As this continues to occur more and more, we want to ensure that you are aware that these companies have NO affiliation with HPBExpo. They do not have our attendee list. If you look at the breakdown of what some of these companies are offering, it doesn't even match our audience. The lists they are offering are either self-gathered public information or a complete scam altogether.

Please do not purchase any list from any company or individual claiming to have use of HPBExpo's database, attendees, or contact information, as we do not sell this information. It is our goal to inform you that you will most likely be contacted, and that you should not respond to these offers. We also ask that you forward these offers to us, so that we may send cease and desist letters, in an effort to fight off these solicitations.

APPROVED HPBExpo VENDORS

The following list of companies are approved vendors with order forms also available in our online [Exhibitor Service Manual, available through Freeman Online](#). These vendors will not contact you without valid company information included in their email, as the above mentioned individuals have been doing:

Freeman - Show Decorator/Official General Contractor
CompuSystems - Registration and Lead Retrieval
onPeak - Official Housing Block
Agility - International Shipping
Rainprotection.net Exhibitor Insurance
Kay Bailey Hutchison Convention Center
KBHCC Official Vendors: SmartCity telephone/internet, Centerplate catering
Omni Dallas Hotel (for raw food in Outdoor Burn Area)
DTA Security Services
National Plant & Floral
Joe Orlando Convention Photo

As always, please [contact me directly](#) if you have a question about whether a company is legitimate or not. It is always best to ask if in doubt.
