

## Warning to Exhibitors

Exhibitors are urged to exercise great caution with any third-party vendor offer. Most services needed for HPBExpo have an official vendor that will be included in the HPBExpo Exhibitor Service Manual available this fall.

Common scams include hotel offers, attendee list offers, booth design and set-up offers, show directory or show guide offers, and more. If it is not from HPBA or our approved official vendor, it is probably not legitimate. If an offer sounds "too good to be true", it very likely is.

If you receive an offer that you are unsure about, don't hesitate to contact HPBA Show Management to ask if it is valid.
