

MARCH THROUGH ALL FOUR SEASONS

Exhibition: March 12-14, 2020
Education: March 11-13, 2020
Ernest N. Morial Convention Center
New Orleans, LA | HPBExpo.com

News and Information for HPBExpo Exhibitors

Important information will be distributed through the HPBExpo Exhibitor Newsletter. Please take a moment to add amyjackson@hpba.org to your approved senders list, so you don't miss out!

Visit our Website

Available Now on the HPBExpo Website

Additional information to aid in your exhibit planning has been posted to the Exhibit section of the [HPBExpo website](#).

Here's what you can find right now:

1. Sponsorship & Marketing

- [Update Exhibitor Profile](#)
- [Additional Listing Order Form](#)
- [Show Guide Advertising](#)
- [Free Marketing Tools](#)

See the many ways to boost your exposure at HPBExpo (even more to come)! Update your online listing, purchase additional listings, advertise, and/or utilize our **FREE** marketing tools including downloadable logos and web banners.

2. Exhibitor General Info

Review general details about exhibitor set-up, tear-down, and overall participation.

3. Deadlines

A convenience check list of exhibitor deadlines has been compiled for your convenience.

4. Floor Plans

Review up to date floor plans any time to see any changes that may occur around your exhibit space area. You may also review the current and previous year's exhibitor list on this page.

5. Newsletters & Webinars

All previously sent newsletters and recorded webinars will be posted here.

6. Exhibiting Rules & Forms

Review HPBExpo's rules and policies, the convention center's policies, insurance requirements, etc. here. Download and complete forms to request permission to burn an appliance, hire a contractor, hang a sign or serve food and beverages here as well.

INDOOR & OUTDOOR BURNING REQUEST FORMS NOW AVAILABLE

For Indoor and/or Outdoor Burning Approval

All Outdoor exhibitors, and any Indoor exhibitor wishing to burn an appliance at HPBExpo 2020 must request permission to do so via the Indoor and Outdoor Burning Request forms available now online. Download, complete, and return to HPBA show management, so that we may properly plan for the number of appliances and amount of fuel to be burned.
